**PAVING THE WAY TO
FITNESS**

ABOUT

As one of the leading manufacturers of playgrounds and outdoor fitness equipment, Honey Fun-N-Thrill Co. has over 27 years of experience in developing top-notch playground and outdoor fitness equipment in India. Over the years, Honey Fun-N-Thrill Co. has multiplied its list of products from a single merry-go-round to a broad range of playground and outdoor fitness equipment. With the knack of visualizing where the fitness industry is headed, Honey Fun-N-Thrill Co. wishes to take recreational equipment to an exciting new level.

Whether you are an architect, park owner, developer, or an educational institute owner, Honey Fun-N-Thrill Co.'s national network of knowledgeable consultants will help make your recreation area, as well as, your play area fun and beneficial. We are committed to providing innovative, creative and unique design solutions with maximum attention to:

-  SAFETY
- +
-  QUALITY
- +
-  AESTHETICS
- +
-  PLAY VALUE

AIMS AND OBJECTIVES

- To bring a change in the health environment and inculcate the fitness culture among the adults.
- To promote physical fitness and outdoor activity for an individual to change their unhealthy routine.

THE IMPORTANCE OF PLAYING

Imperative for healthy brain development.

Helps develop the imagination, dexterity, physical, cognitive & emotional strength in children.

Facilitates a child's interaction with his peers.

Enhances a child's confidence and resilience.

Improves decision-making ability in children.

UNIQUE BENEFIT OF OUTDOOR GYM

An outdoor gym is considered more restorative and refreshing as compared to an indoor gym.

The addition of nature and fresh air makes exercising fun, which reduces stress and encourages positive behaviour.

The outdoor equipment requires no electricity, thus, encouraging an eco-friendly lifestyle.

An outdoor gym encourages people to socialize while exercising, which strengthens interpersonal relationships.

An outdoor gym influences even the behaviour of non-exercisers, tempting them to work out too.

OUR INNOVATIVE MULTIPLAY & DUPLEX CONCEPT

Accommodates 20–50 kids at a time, on each multi-play set.

It requires less space for installation.

Uses standardized and high-quality materials.

Aims to provide best-in-class quality and child-friendly designs.

It has no sharp edges, which makes it safe for kids to play.

GENERAL FEATURES

- All powder coating colour is TGTC (Triglycidyl Isocyanurate) and lead-free.
- Our powder coating passes the 1000 hours salt spray test and MEK solvent resistance rub test- ASTM D5402.
- No hazardous or harmful products or chemicals are used.
- Roto moulding powder used is food grade.

MANUFACTURING UNITS

Honey Fun-N-Thrill Co. remains committed to producing quality products that will stand the test of time. We have two manufacturing units, where all the playground and fitness equipment are manufactured under a strict quality assurance program.

2nd manufacturing unit located @ Waliv Village, Vasai, Dist. Palghar

WHY CHOOSE HONEY FUN - N - THRILL Co.?

FRP Range

- We assure longer product durability as compared to any of our competitors.
- Our platform decks and bridges, for multi-purpose playstations, are supported with MS angle frame moulded with FRP. This protects our products from breaking and increases their load-bearing capacity too.
- Our deluxe range FRP slide chutes are sturdy due to their 6-7 mm thickness and quality finishing, unlike our competitors' products which have just 3-4 mm thickness.

Roto Range

- Our roto-moulded slides have no fillers and are made of 100% virgin material. They come with a 4-year colour fade warranty and have a thickness similar to the FRP products.
- The decks and bridges for Roto range are made from high strength mild steel sheets with an anti-skid design pattern, coated twice- once with Akzonobel's anti-corrosive primer powder and secondly with pure polyester powder.

- Our swing chains are coated with Plastosol, to prevent them from rusting, and are then mounted inside a specially designed nylon clamp for noiseless movement. The seats and footrests of our outdoor equipment are made of durable and sturdy ABS plastic.
- Our team of experts is well equipped to help you with the installation process.
- All our products come with changeable or replaceable attachments and parts.
- Our services are prompt and efficient.
- We are highly trusted by all our clients, who continue to associate with us, year after year.

HONEY FUN-N-THRILL CO. PRODUCTS

Our products are created with best-in-class, high-quality raw materials and child-friendly designs. Our multi-purpose play systems include a wide range of components to facilitate activities like sliding, climbing, balancing, hanging, swinging, etc.

OUR ENTIRE PRODUCT RANGE

▲ **PLAYGROUND EQUIPMENT**

This category contains multi-purpose play stations, slides, swings, see-saws, merry-go-rounds, scramblers, fun-and-thrillers, benches, and dustbins.

OUTDOOR FITNESS EQUIPMENT ▼

An outdoor gym is considered more restorative and refreshing as compared to an indoor gym. Thus, our equipment is designed to encourage an outdoor fitness routine. The addition of nature and fresh air makes exercising fun, reduces stress and encourages a healthy lifestyle.

▲ **OUTDOOR MUSICAL EQUIPMENT**

Our outdoor musical equipment encourages participation in outdoor activities while making music fun and thrilling.

FLOORING

We have introduced synthetic rubber flooring 'Play Max' for children's play area, outdoor fitness area, jogging tracks, indoor gym area, etc. The brightly colored EPDM granules provide a strongly-absorbing, hard-wearing safety surface. The granules give a resilient, consistent and an all-weather surface for any indoor and outdoor activities.

ROPE SERIES (EXCLUSIVE)

We manufacture exclusive rope series equipment for children, using the best quality raw material and advanced techniques.
